

**Riding and Walking Routes to UC High School Kaleen**

**RIDE or WALK to school**

**IF YOU LIVE TOO FAR AWAY FROM THE SCHOOL TO WALK OR RIDE THE WHOLE WAY, PART WAY IS OK TOO.**

There are **PART WAY DROP OFF POINTS** identified on the map. You can park and walk the rest of the way as a family or if children are old enough they can walk the rest of the way alone or preferably in a group.

If you know others using the **PART WAY DROP OFF POINTS**, you could nominate a time to meet so everyone can walk together.

Even walking part way to school will help students get physical activity into their day, arrive at school more alert and reduce traffic congestion around the school.

Parents can miss the drop off and pick up traffic too.

Catching the bus to school is fun, safe and a great place for kids to make new friends.

Visit the ACTION website for everything you need to know about our school services including routes, stops and times. If there isn't a bus route nearby then you can put in a request for one, just contact your School Principal or call ACTION on 13 17 10.

**This map is intended for information purposes only. The School and ACT Government assume no responsibility for people using these routes.**

**In an emergency call 000**

Other important phone numbers:

**Crime Stoppers**  
1800 333 000

**Police Assistance**  
131 444

Routes have been highlighted to use shared paths, crossings, underpasses and overpasses and to avoid crossing busy roads where possible.

It is a parent/carer responsibility to identify the safest route for their child to travel to and from school.

It is highly recommended that children are accompanied by an adult until they are competent to independently travel to and from school.

Riding and walking with siblings and/or in groups is also recommended.

If English is not your first language and you require the Translating and Interpreting Service (TIS), please call 13 14 50.

**constable KENNY Says...**

**Stay OK on the road**

- wear your helmet when riding your bike or scooter
- don't use headphones when you are out riding so you can hear what is happening around you, especially near roads
- be careful around cars on the drive way or road
- stop, look, listen and think before you cross the road
- use children's crossings when crossing the road at school
- the green man/walk sign means you can cross the road at the lights, but make sure you also look out for cars anyway
- use underpasses, footbridges and footpaths where possible
- make sure you look out for younger brothers and sisters

**Stay OK in the community**

- know your name, address and parent's mobile numbers (or that of a trusted adult)
- don't speak to adults you don't know
- don't take toys or food from people you don't know
- if you get lost find someone you can trust wearing a uniform like a police officer or shop keeper
- it is ok to say no if you feel uncomfortable
- call Triple Zero (000) in an emergency

**Parents...** teach your child the **'STOP. LOOK. LISTEN. THINK.'** routine every time you cross the road together

**STOP.** one step back from the kerb

**LOOK.** for traffic to your right, left and right again

**LISTEN.** for the sounds of approaching traffic

**THINK.** whether it is safe to cross

**Road rules and signs are in place around your school to keep our kids safe.**

- NEVER** park illegally
- Don't double park, park on school crossings, in the bus bay or no parking zones – it puts children at risk, blocks the vision of other drivers, forces children onto the road and obstructs the flow of traffic

**Help keep our kids safe by:**

- Slowing down to 40km in school zones
- Model safe behaviour for your child – they will learn from you
- Park safely and legally even if it means walking further to the school gate

**Road safety is everyone's responsibility**

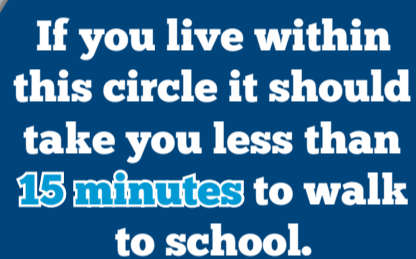

**RIDE or  
WALK  
to school**

- Wakool Cct walkway
- Daintree Cr/ Pambula St walkway
- Gwydir Square shops

**If you can't  
ride or walk the  
whole way to school  
use one of the  
 Drop Off Points  
because part way  
is ok too!**
