## DID YOU KNOW?

- 23% of Canberrans ride a bike during a typical week, much higher than the national average of 18%.
- We have over 1,000 kilometres of shared paths and 2,500 kilometres of footpaths.
- Over 90% of Transport Canberra buses are equipped with bike racks which each hold two bikes.
- There are four bike racks in each light rail vehicle available for customers to use.

Park your car for free and ride your bike the rest of the way. It's a great way to incorporate exercise and save on parking costs. Park and Pedal is located at:
